

HEARTS
WITH
UKRAINE

Dear Finnegan and Diba

Ana and Artur here. We were born in Ukraine, and our families and friends are still there. We created this project to provide direct help and support to those communities we are personally connected to. These people and communities have lost everything and urgently need our help.

We personally know people on the ground who can identify the most critical needs and help direct the response where it can make the greatest impact. We are able to tap into a pool of volunteers, such as our classmates, to help distribute protective gear, medical supplies, food, gas, and other urgent needs. We also remain connected with animal volunteers and shelters that foster abandoned animals. We encourage you to put your hearts with Ukraine and help by donating any amount you can.

Direct help to real people makes all the difference. Please help us to help them. Send your gift directly to us using our online donation website - heartswithukraine.org, or mail your check to the address below.

If you have any questions or need further information, please contact us at hello@heartswithukraine.org or +1 347 987 9004, +1 646 712 0175. On behalf of Ukrainian families, children, doctors, and volunteers, thank you for your kind consideration of our request, and we hope to hear from you soon.

Sincerely,

Ana Foley and Artur Gubin
